

MINISTRY CATALOGUE

The purpose of the Ministry Catalogue is to inform parish households of the different ministry volunteer opportunities. The Catalogue includes a description of all parish ministries and lists the contact person and meeting dates. Smaller parishes may choose to design a simple Ministry List rather than a “catalogue.”

The preparation of the Ministry Catalogue is a major step toward inviting parishioners to participate in the stewardship of time and talent. The catalogue should be as inclusive as possible and should include youth, singles, married, elderly, handicapped, homebound. Be creative.

The Stewardship Committee should update the Ministry Catalogue annually. The Stewardship Committee should provide a copy of last year’s catalogue to Ministry Chairs and ask them to make the necessary changes for the current year’s publication.
