Why do you need a committee?

Finding Elim
By Dave Nelson

How is it our church has more committees than members?
What are the goals of a stewardship committee?

Ideally- freestanding committee that functions with the general responsibility of:

People
- Formation and Education
- Acknowledge time, talent and treasure
- Welcome and Engage

Capacity
- Provide administrative support
- Support ministries by increasing interest/volunteers
- Increase overall church giving through offertory

Content Messaging
- Create the Mission and Vision of stewardship
- Share inspirational stories of stewardship
- Create a greater understanding of discipleship through the tools of stewardship
Why not under a current committee?
Why not under finance?

Tend to focus on the financial needs of the parish, rather than an individual’s need for generosity.

Ability to handle the needed roles and responsibilities on top of current ones.

Tend to focus on treasure over giving equal emphasis to time, talent and treasure.

Can not be sole responsibility of administrators.
The Stewardship Committee = People Committee.

Most important goal is to build relationships.
“We serve the church by respecting the hallowed ground on which donors and the mission meet. We hold sacred the trust established between the donors and mission they choose to support.”

Yes. Yes....and still yes.

Invite a facilitator or trainer to come and discuss how to speak openly and effectively in regards to individual generosity- LOTS of Archdiocese help!
